INTERNSHIP

You need experience to get experience

First thing every employer will ask is "Do you have Experience?". A practical work background carries a major significance when attempting to enter the job market. Even your buddy who graduated with you in college has become your competition. Take a moment and think about it. If you're looking to gain experience, working as an intern is arguably the most advantageous plan of action.

REAL WORLD EXPERIENCE

If you're lucky enough to snag a beneficial internship, it can be remarkably valuable towards your career. Joining a company as an intern gives you the opportunity to work hands on in a professional environment. An intern isn't thrown into the wolves but rather given proper training, assignments, and duties without the added pressure.

NETWORKING

Internships often give you the opportunity to attend meetings and events. By interacting with professionals you gain new connections and learn how to communicate in a professional environment. Even if you think you don't need it, it's always good to have a backup plan. Life is unpredictable and a time may arise when a network may come in handy.

POSSIBLE FUTURE EMPLOYER

Internships provide you with the building blocks you need for your future. Many internship opportunities help set the foundation for your career. Keep in mind, employers often use internships as a recruitment tool to test out future employees and in many cases, companies hire interns after graduation.

RESUME WRITING

the perfect resume

We understand the need of resume and hence treat you and your career with respect and care. We will spend a lot of time talking with you to assess what your talents and abilities are so they can best present them to the companies you want to work for.

FRESH GRADUATE

You may not be able to highlight it in the right way, as the recruiter needs it or the way it has to be described, hence you need someone who can understand you better and can summarize your skills and abilities in the best possible lay out. Employers want some demonstrated expertise in potential new employees. As an entry-level applicant, you are at a disadvantage because of your limited experience. Our writers can help you capitalize on the experience you do have.

SEASONED EMPLOYEES

Writing a professional resume for mid-level / senior level employee is more essential A professional resume that details skills, credentials, and abilities relevant to the next rung in your career ladder is necessary to attract prospective employers. It is a process that allows a candidate to highlight the achievements and experience that will attract the attention of any employer and ensure the realization of obtaining his/her dream career. With a copy of your current resume and questionnaire, our writers can help construct you a resume that's perfect for you.

your online presence

PROFILE BUILDING

Social networking has become an integral part of all of our lives. However, there is a tendency for career professionals to underestimate the utility of having a networking presence. Do not let mistakes or a weak resume ruin your chances to get your career on track and land your dream job. Ask our expert editing team to review your resume and provide you with a professional tool that gets real results.

COVER LETTER WRITING

A cover letter is often the first thing a mail recipient sees, which means it holds the power of the first impression. The cover letter explains the purpose of the entire mailing to the recipient, and it conveys a powerful and succinct message about the person who sent the mailing.

INTERVIEW TIPS

No matter how good you are or how many interviews you have done, interviews are always daunting and can often be a difficult process. Our aim is to provide professional support so you are well informed, fully prepared, confident and armed with all the inside recruitment tips to maximise your chances of securing your next dream role. Depending on what you need, we will tailor an interview coaching session to suit you and your specific requirements.

LINKEDIN PROFILE

The network has become the leading tool for recruitment firms, as your LinkedIn® profile, if set up correctly, contains the same information as your resume. Each profile has an associated skill set, which allows headhunters to accurately target the correct candidates. For those applying for jobs, internal HR officers are

JOB TRAINING

getting job ready

A boost of manpower at your company has many benefits. Casual workers can come in and complete the task, with no obligation to keep them for longer periods. The ad hoc needs of the business can be effectively taken care of by tapping into a resource of casual workers.

PROFILE BUILDING

+

MS-OFFICE TRAINING

In the short term, the cost of hiring a temporary staff member is often cheaper than the cost of committing to a permanent employee. However, temporary assignments that are expected to run for more than a couple of months may actually end up costing you more than making a permanent hire. Make sure you do your sums before you make any decisions.

SPECIALISED TRAINING

going an extra mile

First thing every employer will ask is "Do you have Experience?". A practical work background carries a major significance when attempting to enter the job market. Even your buddy who graduated with you in college has become your competition. Take a moment and think about it. If you're looking to gain experience, you need to be ahead of others when it comes to Information and Technology. IT is changing at such a fast pace that even professionals need to sharpen their skills now and then. To push you in front of the queue we organise a lot of trainings in the weekends.

If you're lucky enough to snag a beneficial internship, it can be remarkably valuable towards your career. An intern isn't thrown into the wolves but rather given proper training, assignments, and duties without the stress of a full-time job. We do training programs in a variety of IT professional training to enhance your skillset. [Contact us](#) for more information on this.
